“Notwithstanding the roles of the county and district councils in planning matters, given the statutory nature of the Neighbourhood Plans that have been established across the county, what role the Neighbourhood

Planning parishes in Oxfordshire will have in the joint strategic special plan, Oxfordshire 2050, already well under way, under the auspices of the Oxfordshire Growth Board. Among the Neighbourhood Planning authorities, there may be some concern that there is to be no representation or involvement at our level of the statutory planning system. The formal consultation stages are not a substitute for involvement.”
