

THE WHITE HORSE MEDICAL PRACTICE

VOLUNTEER WAY, FARINGDON, SN7 7YU

2020 FLU CLINICS

Please read the following carefully as there are changes this year due to Covid19.

The first Flu Clinic is on Saturday 3rd October 2020, and the following dates are Tuesdays or Thursdays, October 13/15th, 20th/22nd, 27/29th.

If you are 65 or over you will receive a letter, text or phone call from the surgery stating the date and time for your vaccination.

If you are aged 18-65 with specific long-term conditions and/or in the 'at risk group' you will receive a text (or letter), asking you to book an appointment on our website using Engage-Consult: These include chronic respiratory disease or asthma, heart disease, renal disease, liver disease, diabetes, neurological disease, BMI > 40 or you are immune-suppressed, or a carer for an elderly or disabled person.

You will receive specific detail of what to wear and other guidance.

Visit www.whmp.co.uk for more detail.

Upon arrival, please maintain social distancing and wear a face mask at all times.

If you have any Covid symptoms do NOT attend. Call (NHS) 111

Pregnant, Babies and Children:

All pregnant women are recommended to have the vaccination.

For babies of 6 months +, with an existing condition, please consult your GP

Vaccinations for pre-school aged children

These have started and we urge you to get this done as soon as possible for all children aged 2 or 3 years old on August 31st, 2020.

NB: School aged children will be vaccinated at school this year.
