

## **VILLAGE CONSULTATION ABOUT THE CHURCH BELLS**

Although the deadline of 3 February has now passed, it is not too late to return your questionnaire about the restoration of the bells and other matters.

We hand delivered over 120 letters because we really do want to know what the village as a whole thinks about the possibility of restoring the bells so that they could ring out once again over our village and across the fields as they have done for centuries. So far we have only had around 30 replies, which has been very disappointing.

This is not just a Church matter, it concerns everyone in our parish. To do it would require a lot of support from the wider village, so please think hard about completing the questionnaire and popping it through the door of one of the four people named on it – the Vicar, David Williams; the Churchwardens, Mike Heathcoat and Chris Fielding; or the Treasurer to the PCC, Pat Cook.

If you have mislaid or destroyed the original letter you can get a replacement from Pat on 241632. Just give her a call and she will deliver one to you.

We have a PCC meeting at which this will be discussed on 28<sup>th</sup> February and we would welcome any more completed questionnaires up to then. Please, please let us have yours!
