

GREAT COXWELL PARISH COUNCIL

Reading Room, Great Coxwell, Oxfordshire, SN7 7NG
Clerk: Joanna Farrant (clerk@greatcoxwell.com)

Minutes of Great Coxwell Parish Council Meeting held on Monday 19th February 2024, 6:30pm.

Present	Cllr Jacqui Russell (Chairman) (JR) Cllr Richard Hankinson (RH) Cllr Rory Gilmour (RG) Cllr Kym MacDonald (KM) Joanna Farrant, Parish Clerk (JF)
In Attendance	County Cllr Bethia Thomas (BT) District Cllr Kat Foxhall (KF) 2 members of the public

Item	Minute	
1.	Apologies for Absence Apologies had been received from District Cllr Viral Patel.	
2.	Approval and Signing of Minutes of Last Meeting Minutes of 20.11.2023 were approved and signed by the Chairman.	
3.	Declarations of Interest There was one declaration of interest relating to items on the agenda – RH on a new planning matter at item 12.4, due to being a direct neighbour. It was agreed that RH would not make representations or vote on that item.	
4.	Representations by Members of the Public on Agenda Items or Matters to be Added to the Next Agenda A member of the public noted that in recent heavy rain ditches were overflowing from Gypsy Lane, down past Bay Tree Cottage and Oakfield to Annabelle's Nursery. It was agreed that ditches are the responsibility of landowners and need to be maintained. A clump of hazels was blocking the ditch between Hills and Annabelle's Nursery meaning water was flowing down the road, rather than away down that ditch. The member of the public reported that this ditch was an OCC responsibility. Agreed to action a Fix my Street report in relation to this ditch. JR to try and contact landowners for The Paddocks and JF to contact Gordon Kelman for an update on clearance/grips to date.	JF/JR
5.	County Councillor's Report BT had circulated a recent report. Signs have been installed on B4019 to slow traffic. The speed survey has been postponed until the impact of the new signs is seen. South Steeds appeal has been allowed. Traffic lights will be installed at the junction with the A420 before occupation of the first house, noting that Coleshill PC are concerned about the impact that the lights might have on traffic through their village. BT thanked RH for his work on the village Emergency Plan. BT encouraged any issues in relation to flooding to be reported. The potential developer at Wicklesham Quarry is reassessing its position after community feedback. BT was asked about safety on the A420 around the Great Coxwell junction. BT noted that consideration of the speed limit and work around traffic lights may impact this, with the next FATAC meeting in March.	
6.	District Councillor's Report	

	<p>VP and KF had circulated a recent report. Bin mapping: VP had received the same response – a bin within the Park would be for the Parish Council to fund and maintain and there was insufficient litter on the verge for the District Council to install a bin.</p> <p>KF encouraged responses to the Joint Local Plan. KF confirmed that no particular sites for development had been identified in the vicinity of Great Coxwell, but noted the exceptions for homes for rural workers, affordable housing and first time buyers. Great Coxwell is Tier 4, but Faringdon is a centre, so there could be future impact on Great Coxwell.</p> <p>KF had attended the Steeds Farm appeal, noting the technical nature of much of the argument. PC's were encouraged to attend such hearings to make local representation. KF advised that the next step will be to keep a look out that the conditions and landscaping is carried out.</p> <p>KF advised that the Climate Action Fund will be available soon – groups can apply for money up to £10k.</p> <p>The Church Yard wall has been surveyed and suggested repair is now with the diocese.</p> <p>KF noted that the District budget is imminent and there are unlikely to be any service cuts from the Vale.</p>	
7.	<p>Correspondence:</p> <p>7.1. Hedges on Cherry Orchard – see item 9.8 below.</p>	
8.	<p>New Business:</p> <p>8.1. Neighbourhood Watch – KM had raised following an individual behaving suspiciously. It was noted that there had previously been a forum with local police constables attending, but that it was not known if this forum continued post Covid. JF to contact neighbourhood policing team.</p> <p>8.2. Telephone Box – a parishioner had kindly offered to re-paint. JF to contact parishioner to ask if she still wishes to carry out this work, given the budget allowance for it in 2024/5 budget. If so, the Parish Council will pay for paint. Risk assessment to be carried out.</p>	<p>JF</p> <p>JF</p>
9.	<p>Ongoing Business:</p> <p>9.1. Traffic Management: see item 5.</p> <p>9.2. Verges & footpaths: JF to action BGG quote for 2024/5.</p> <p>9.3. Welcome information for new villagers. JR to action, as certain data needs to be removed.</p> <p>9.4. Dog-mess signs and litter bin update – see item 6. Dog mess signs have been purchased and RH to distribute. KM to use map previously drawn up of where to locate.</p> <p>9.5. Neighbourhood Plan(NP) Update 2025: questionnaire. KM to action.</p> <p>9.6. Joint Local Plan Consultation: deadline extended. It was agreed that PC would submit a limited response noting that building south of Steeds South was not desired and that boundaries should not be redrawn.</p> <p>9.7. Drains: Gordon Kelman had visited in the summer of 2023. Work was to be carried out to install grips and clear some drains/pipes RH believed this had been done on Holloway Road below the Church. Action in relation to this item and item 4: JF to contact Gordon Kelman for update on progress of drain survey, grips, and drain clearance, copying in BT. It was noted that there was landowner responsibility for clearing ditches. BT advised that where a report was made on Fix My Street in respect of uncleared ditches, the District Council will write to individual landowners.</p>	<p>JF</p> <p>JR</p> <p>RH/ KM KM</p> <p>JF</p>

	<p>9.8. Hedges: JR had spoken with the landowners in respect of the hedge bordering Oakfield. Action was to be taken to trim the hedge. It was noted that the landowner of the Paddock needed to cut back the hedge. JR would speak with Annabelle's regarding hedges on footpath 231/10. JF to confirm if contract with OCC had included hedges.</p>	JR JF																																																																						
10.	<p>The Park:</p> <p>10.1. Repairs/maintenance: no further action at present. 10.2. Repairs 2024/5: no further action at present.</p>	JR																																																																						
11.	<p>11.1. JF reported current balances of Parish Council accounts: £21, 527; £1,561 in earmarked reserves and Reading Room £1,518.
