

**Wicked  
Chocolate  
2020  
Winter  
Catalogue**

At the time I am writing this, it is too soon to tell what this year's winter will be like. However, until we can get a clear picture of what will happen in December, we're delighted to be offering our Christmas stock through click & collect as well as delivery. We will also be open from Monday to Saturday between the hours of 10am and 5pm.

This year, we've filled our shelves and pages with hundreds of lovely treats from chocolatiers all over Europe, including **German marzipan** (p45), **Belgian pralines** (p40) and **Italian nougat** (p57). We've got treats to suit every taste, from classics like **Charbonnel et Walker truffles** (p6) to modern marvels such as **Visser's Picasso chocolates** (p42).

Should you have any questions, need a recommendation or would like a gift with a personal touch don't hesitate to contact us. We're always happy to help!

It's the end of the year, and we could all use a little bit of sweetness!

*Happy Holidays!*
